There are many moments in life that we love to capture with a photograph. The [How to Take Better Holiday Photographs](#) infographic from [Sykes Cottages](#) is a cheat sheet to help you get the most out of each photo you take.

*Holidays mean different things to different people. For some, they're about discovering new cultures, unearthing ancient history and indulging in fine local cuisine ; whilst for others, they're a chance to lounge on the beach, read a few chapters from a book, and do very little. But whatever you get up to on holiday, one thing's for sure : you're bound to take at least a few holiday photographs.*

*Whether you're a snap-happy amateur or a kitted-out professional, capturing your holiday is important. To help you rookies take holiday pictures you'll be proud of, we've created a handy guide on how to take better holiday photographs- check it out below.*

Great "How-To" infographic that's easy to read and understand. The hand-drawn, watercolor look also helps visually imply that the complex information will be easy to understand.
