A crewman on a Royal New Zealand Air Force P-3 Orion Rescue Flight 795 searches for debris from the missing Malaysia Airlines Flight MH370 on April 1.

A Malaysia Airlines flight vanished without a trace while en route from Kuala Lumpur to Beijing on March 8. The weather was clear and there was no distress signal from the cockpit when the plane disappeared from radar screens. A massive search operation combed the Indian Ocean, but the Boeing 777 was never found Read more...More about Space, Weather, Sony, Russia, and Science
