WARNING : This post contains spoilers about the latest episode of *Scandal*

So exactly *how bad* is *Scandal*'s Donald Trump ? Well, let's just say Fitz said it best when at the start of Thursday's episode he referred to Hollis Doyle as a "disease."

"Divorce suits you," Doyle (played excellently by Gregg Henry) told Mellie grossly when she sat down with him seeking some major funds for her campaign. "I see it in your hips you're leaner and meaner."

A-hole.

When she rejected his proposal to do away with the Environmental Protection Agency, he told her he'd be giving her opponent Susan the same offer he would "see how far up her skirt she's willing to let me go."
