Mornings are terrible for most people, and one of the few things we can enjoy while getting ready for the daily grind is a highly caffeinated sip of coffee or tea to get us going.

[The Barisieur](#) automatically brews you hot coffee or tea in the morning, taking away your need to press snooze or even get out of bed for that first few minutes of the day.

Image : the barisieur

It's like WALL-E and your favorite Starbucks barista combined.

By setting the clock each night with water, coffee (or tea, if you prefer) and your favorite mix-ins like milk or sugar on the side, the clock wakes you up with the sound of boiling water and the sweet smell of your favorite brew.
