In this world, there is no shortage of cute emoji. But what if your life is darkness, your hair falls long and your playlist consists of Meshuggah, Triptykon and Venom ? Where do you find tiny pictures to express your grief, anger, and...well, that's all the emotions a true metalhead can have, but I digress : Where does a true metal fan find his or her emoji ?

Well, we've got that problem solved for you. KeyLuminati's Heavy Metal Emoji Keyboard, recently released on the Apple App Store, has every metal emoji imaginable. Long hair ? Check. Braided viking beard ? Check. Skulls, corpsepaint, horns, devils, bat wings, snake fangs, axes, whisky, guitars, drums, razors, bloodstains, crosses, graves, runes ? It's all there.
