A new [YouTube](#) video, however, takes GoPro experimentation to a new level by showing one dog's point-of-view. The nearly two-and-a-half-minute clip follows an unidentified canine, as he swims in a pool and retrieves yellow tennis balls for his owner. Since going online Sunday, the above video has attracted close to 20,000 views.

Do you think this is an interesting way to use a GoPro camera ? Tell...
