Even Sith Lords run out of milk.

Polish photographer [Pawel Kadysz](#) isn't exactly an evil mastermind, but he definitely knows how to get into their heads

Kadysz's series of selfies embodies the Sith Lord on days when he's not trying to eradicate the Jedi Order in his photo series, the *Daily Life of Darth Vader*.

"We never think of movie characters like they were regular people. And they are. With different life goals, obviously, but they're just people. Hannibal Lecter had to shower. John Doe from *Se7en* probably had to do the dishes. And Darth Vader has to do groceries," Kadysz told *Mashable* in an email.
